Genesis Flip Arm Executive Task Chair

This sleek executive chair combines style and functionality, perfect for both office and communal areas. It has a high back with distinctive contrast stitching and is upholstered in black soft leather-like vinyl for durability and comfort. The sturdy silver frame with brushed metal base supports a swivel tilt mechanism with tilt lock and tension control for a customizable and secure seating experience. Practical flip-up arms enhance its space-efficient design, ensuring it fits seamlessly into any professional environment.
