BioMesh Collection

The BioMesh mesh guest chair, is the perfect addition to any training room, conference room or private office environment. The chair is at a fixed height with fixed arms and is designed with an upholstered seat and a breathable, airy mesh back. The unique pivot function of the mesh back provides max comfort and support. It has a steel tubular frame with double wheel casters that allow smooth movement across many flooring surfaces. The chair adds a modern, professional appearance to any space.
