1300 Series / Folding Chair

The 1300 Series premium upholstered folding chair combines durable vinyl with 1.25 inches of soft foam on a popular, institutional-grade frame. It features a double-contoured, six-rivet-secured backrest and a powder-coated 18-gauge steel frame with double-hinged legs and reinforced cross-braces. V-tip stability plugs add support, and replaceable glides protect floors. Certified MAS Green and ANSI/BIFMA compliant.

Features + Materials

- Sturdy 18-gauge steel frame
- Full-size contoured back and seat
- Upholstered seat and back with durable vinyl
- Dual U-shaped cross braces for added support
- Non-marring floor glides
- Supports up to 480 lbs.
