

For Immediate Release: August 2026

RC10 Factory Team Blue Edition Kit

#6058

1:10 Scale 2WD Electric Off Road Competition Buggy Kit

ELECTRIC ▪ OFF ROAD ▪ 1:10 SCALE ▪ 2 WHEEL DRIVE ▪ KIT

The Team Associated RC10FT is Engineered for Victory!

With over 40 years of racing heritage and countless World Championships, the RC10 platform stands out as one of the best performing 10th scale buggies of all time.

Today's R/C tracks demand a lot from a vintage platform and the AREA 51 Factory Team has been hard at work creating the ultimate RC10 for today's tracks.

Carbon fiber transmission brace

Rear shock tower integrates B6 rear wing mount

New Factory Team front and rear carbon fiber front shock towers*

56mm rear CVA's with 12mm hex

B7 Servo mount included

World's Car bellcrank steering

**The new rear shock tower (#6796) lowers the shock mounting position by 3.5mm. This update is designed to achieve better clearance and provides a larger tuning window when using big bore shocks.*

The features in this kit are exactly how our Factory Team driver's setup their RC10's for modern racing. With big bore shocks, captured hinge pins, 12mm wheel hex's, exclusive chassis color, all new Mirage Pro body and more, this is an RC10 like never before.
