

For Immediate Release: April

New! Reedy Power Premium Blend T-Shirts and Pullover Hoodies

Reedy Power, the leading name in high-performance RC motors and electronics, proudly releases its latest line of premium polyester/cotton blend T-shirts and pullover hoodies. Designed for racers, hobbyists, and loyal fans, the new gear combines everyday comfort with the durability and style that enthusiasts expect.

The new W26 collection features a high-quality polyester/cotton blend fabric that delivers the perfect balance of softness, breathability, and long-lasting wear. The T-shirts offer a comfortable, athletic fit while the pullover hoodies provide warmth and versatility for cooler days at the track or late-night wrench sessions.

Wear the same gear as the Reedy racing team and proudly display your favorite power source!

Key features include:

- Soft, breathable, and durable premium poly/cotton blend
- Bold, high-quality graphics
- Machine washable and built to withstand repeated wear and washing
- Wide range of sizes to fit the entire R/C community

Reedy Power's W26 apparel collection is now available for purchase at hobby shops, online retailers, and at www.ReedyPower.com.
