

For Immediate Release: Sept 2025

RC10 4x4 Rally Kit #30138

1:10 Scale Electric 4x4 Electric Off Road Rally Kit

ELECTRIC ▪ 1:10 SCALE ▪ 4 WHEEL DRIVE ▪ OFF ROAD ▪ KIT

The Team Associated RC10 4x4 Rally is Engineered for Victory!

Bring the golden era of RC racing into the modern age with this rally-bred powerhouse, outfitted with a new aluminum gold tub chassis plate and iconic RC10 livery decal sheet. The clear 3-piece rally body set, complete with rear bumper and wing, delivers aggressive styling and aerodynamic performance, while injection-molded brake calipers and rotors add realistic scale detail. New rally shock towers, gold anodized aluminum shocks, and a fully adjustable front suspension with upgraded upper arms and turnbuckle set give you the precision handling needed to dominate any surface.

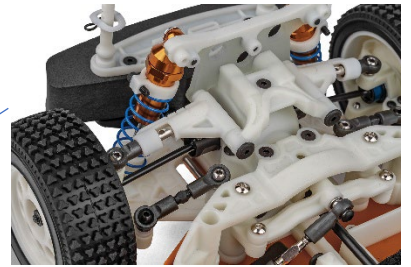

Built for performance and protection, this RC machine includes a water-resistant enclosed receiver box, sealed gear differentials, and a dust-protective chassis cover with an optional filter screen to keep debris at bay. Hardened steel driveshafts and axles, full metal ball bearings, and an aluminum motor plate ensure long-lasting durability. This rally car is ready for anything—from backyard bashing to competition racing.

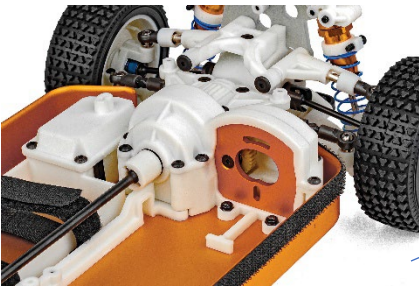

RC10 4X4 RALLY
