ALL Steel Edge Sno Pusher Models (Serial Number 42,399 and Below)

IS10L, IS12L, IS14L, IS16L, IS18L, IS10B, IS12B, IS14B, IS08S, IS10S, IS12S

A value-add to our program is that we have streamlined the relationship with our polyurethane supplier in regard to past IST models. Your end-user customer will now be able to speak directly with CUE when ordering poly for any of our revision 1 and revision 2 IST units. Please advise your customers if this situation arises with the information provided on www.SnoPusherDealer.com .
