WELCOME

Welcome to the RHSB Foundation Throw Down

Dear Friends,

Welcome to our fifth annual RHSB Foundation Throw Down!

Today serves as our largest philanthropic effort of the year, and your involvement has made this possible. Together we have surpassed our fundraising goal, and the money raised will empower two incredible nonprofit organizations that make a positive impact on the lives of people in our community – Clayton Youth Enrichment and Good Days. Be sure you take a few minutes to stop by their tables and learn more about these organizations.

This event is made possible by the generous support of our sponsors, as well as the dedication of our employee volunteers and the leadership and direction of our RHSB Foundation Committee.

Please enjoy your afternoon at beautiful Klyde Warren Park with fun games, food and drinks catered by Mi Cocina, music by DJ Noe G, photos by Dallas Event Photographers, and cornhole boards provided by Triangle Lawn Games.

Most importantly, we would like to thank you for your participation and support in making the RHSB Foundation mission a reality.

You helped us make a difference!

Sincerely,

Tom Hughston
RHSB CEO

Alternate throws between the two opponents until all eight Cornhole bags have been thrown. **Note: the bags are designed with a slick side for sliding and a sticky side for landing and sticking in place.**

OUR IMPACT

Each year the RHSB Foundation selects beneficiaries who are shining pillars within the nonprofit community to receive donations from the foundation providing support for their individual missions and efforts. The donations we provide to each beneficiary are generated directly from the RHSB Foundation Throw Down event through your sponsorships and participation.

BENEFICIARIES

Clayton serves communities of North Texas by providing quality programs that foster the emotional, social, and educational development of children, youth, and families.

Childcare is a critical need for working families. Clayton believes that before and after school care should be accessible for all families. Created by a group of parents who wanted to support their local community, giving back to our community and helping families in need is rooted in our very foundation.

Our vision is a world in which no one has to choose between access to care and everyday necessities so that people can have more good days.

Good Days is a national nonprofit 501(c)(3) charitable organization that lifts the burdens of chronic illness through financial assistance, advocacy, and education. Since 2003, Good Days has provided more than 2 million grants and distributed over \$3 billion in assistance to help people get access to the healthcare treatments they need. Good Days offers a variety of programs, including premium, copayment and travel assistance. To learn more about Good Days and its grant programs, please visit

**Empowering Our Community
Through Giving Back.**

For over 75 years, we have supported local non-profit organizations through employee donations and volunteer hours. We formalized our philanthropic strategy in 2017 and established the RHSB Foundation Fund with the Communities Foundation of Texas. In 2024, we moved our fund from CFT and are now a private foundation with 501(c)(3) status from the Internal Revenue Service.

Thank you for your participation!
