Farmers Market

Jo-Ann Flick

(Note about Bingo) Seven Dog Club members attended Bingo on Sunday, Feb. 23 Will get a group together again. Attendance is down, so please encourage anyone you know to attend. They also need Volunteers to help.

This month, March 19th is the last one for this season and quite likely the last one we will have. There is not enough support from SVE residents. The vendors are asking about next year and are told it's still unknown. We are losing vendors and only have 24 so far with 3, possibly 4 more interested. Unfortunately the produce vendor will not be here. Two food trucks will be here, a couple other food vendors. We will have citrus again. We do not have an item for raffle so we will have the 50/50 drawing again.

The market will be added to our Facebook page and listed on P2P.
