Dear Members of the Vincentian Family,

The grace and peace of Jesus, be always with us!

It gives me a great joy to share this important moment in the life of our worldwide Vincentian Family.

After a careful process of consultation, discernment and unanimous vote in favor by the Vincentian Family Executive Board, I appoint **Sister Ellen Marie Hagar, D.C.** (Province of St. Louise, USA) as the new **Executive Director of the Vincentian Family Office.**

Sister Ellen Marie joined the VFO in July of 2024. She brings with her a strong background in leadership, financial development, and education. Even more importantly, she embodies a profound love for our Vincentian charism and spirituality as well as a deep commitment to the communion and vitality of our global Vincentian Family. Her collaborative spirit, professionalism, and pastoral sensitivity makes her particularly well-suited to serve the entire Vincentian Family at this moment of our shared journey.

May our deep collaboration with Sister Ellen Marie and the VFO Team bring more and more to light the desired fruits for the future of the Worldwide Vincentian Family. Let us dream together, so that our common dreams become a reality.

Please join me in praying for Sr. Ellen Marie's new mission among us, that together we may continue serving Jesus in those who are poor with renewed imagination, fidelity, and unity.

May Our Lady of the Miraculous Medal, St. Vincent the Paul and all of the Blessed and Saints of the Vincentian Family, intercede for us all!

Fr. Tomaz Mavrič, C.M.
President, Vincentian Family Executive Board
