

400th anniversary of the founding of the Congregation of the Mission

Marked by the spirit of Jesus Christ

What happened during these 400 years?

Charism of the Congregation

Marked by the spirit of Christ himself

Evangelizing the poor

Formation of clergy and laity

"So then, my fathers and brothers, our lot is the poor, the poor: 'Pauperibus evangelizare misit me.' What a joy, fathers, what a joy! To do that for which our Lord came from heaven to earth, and by which we shall go from earth to heaven! To continue the work of God, who fled from the cities and went into the country in search of the poor!"

Where are we?

Father General proposes for the 400th anniversary:

- 1 Involvement of all members in a global mission.
- 2 To make the charism of the Congregation known.
- 3 To encourage vocation ministry in the provinces.
- 4 To accompany this new mission with prayer.
