Grandma Turtle Wisdom & Rights of Passage via ZOOM

with Louise Herne

Wednesday March 17, 2021

6 - 9 PM

Join us and learn about the wisdom of our stages of life and how to transition from one stage to the next through a ceremonial process.

Louise Wakerakats:te Herne,

Condoled Kanienkeha:ka Bear Clan Mother illuminates the journey for many to regenerate love for themselves, their children, their people and all of creation. She pulls the threads of ancient matrilineal knowledge from Sky Woman's origins to the present. She leads youth and their relations through the Ohero:kon Rites of Passage during a four year process to steadily incorporate Haudenosaunee values that will guide them as adults – truly a pathway away from violence, abuse and illness to health. As part of the Konon:kwe Women's Circle, Louise brings back the institution of Mother Law to develop a responsible future. Always starting from a place of "perpetual gratitude", Louise has co-created a renewed Haudenosaunee narrative for resilience and resistance.
