Braiding Culture, Ceremony and Community

A Response to the COVID-19 Pandemic

Knowledge Dissemination Circle

IDHC, Queens University and the Indigenous Health Council invite you to an event to honour the voices of the Indigenous community, front line workers and local volunteers who shared their knowledge with the Cost of COVID team — and to share research results and our future actions with you! Do join us.

Date Sunday, October 3 **Time** 1:00 p.m. – 4:00 p.m. **Location** Lake Ontario Park

Land Acknowledgment We acknowledge that Lake Ontario Park in Kingston is situated on traditional Anishinaabe and Haudenosaunee territory. To acknowledge this traditional territory is to recognize its longer history, one predating the establishment of the earliest European colonies. It is also to acknowledge this territory's significance for the Indigenous Peoples who lived, and continue to live, upon it and whose practices and spiritualities were tied to the land and continue to develop in relationship to the territory and its other inhabitants today.
