

## Partnering with HPE to provide service excellence

Molaprise delivers cutting-edge solutions for complex IT environments, specializing in infrastructure modernization, cybersecurity, and cloud solutions. With a strong focus on Hewlett Packard Enterprise (HPE) technologies, we offer scalable and robust solutions for government, public sector, and enterprise clients.

### WHAT WE DO

#### Service Integrator & Solution Architect Provider

We are committed to driving measurable outcomes and exceeding client expectations through our expertise, dedication, and innovative approach.

##### Service Integration

Seamless integration of IT infrastructure, ensuring continuity, security, and optimized performance across citywide operations.

##### Solution Architecture

Design and implementation of tailored architectures leveraging HPE technologies for high-efficiency, cost-effective solutions.

##### Cloud Harnessing & Management

Expertise in deploying cloud environments to improve agility, scalability, and security for government services.

##### Cybersecurity

Comprehensive security assessments, deployments, and monitoring using HPE's security tools.

### WHY MOLAPRISE

As an African-American-owned, Minority Business Enterprise (MBE), Molaprise brings a unique perspective, ensuring inclusivity and diversity in all projects. Our commitment to technical excellence and customer satisfaction drives us to deliver tailored solutions that meet the City of New York's specific needs.

### HPE CERTIFICATIONS & EXPERTISE

- HPE ASE Edge-to-Cloud Architect
- HPE ATP – Hybrid Cloud
- HPE Product Certified – OneView 2024

### KEY SKILLS

#### Virtualization

Extensive experience with HPE ProLiant and Synergy solutions for virtualized environments.

#### Hybrid IT

Expertise in integrating on-premise infrastructure with cloud-based solutions.

#### Data Storage

Deployment of HPE Alletra storage, DHCI and Alletra storage MP for mission-critical and high-performance storage.

#### Networking Solutions

Design and deployment of HPE Aruba wired and wireless solutions for seamless connectivity across city departments.

#### Disaster Recovery & Backup

Implementation of HPE StoreOnce and Nimble dHCI for efficient and secure backup solutions.
