*Your order request can be made by calling, emailing or faxing our customer service desk. If you make your request through one of our independent representatives, or Sales Directors, they will forward your request for review and approval by Citagenix without delay. To become binding, any purchase order is subject to final discretionary acceptance by an authorized representative of Citagenix Inc. A sale contract shall be deemed entered into at the date and place on which such approval is given. Any purchase order for which no written acceptance has been issued by Citagenix Inc. within a delay of 7 days shall be deemed to have been refused. We will send your order confirmation, invoice and shipping information automatically to the email address we have on file for your account.
