

THE PET CARE INDUSTRY IS GROWING!

\$100 billion pet care industry that needs daily services like Playful Pack!

People with jobs and vacation plans will always need someone to watch their furry friends.

Playful Pack

DOG DAYCARE & BOARDING

Playful Pack is about much more than providing a place for dogs to be the healthiest and happiest they can be. Playful Pack is leading the way in daycare and boarding services to offer both a pleasant experience for the customer and franchisee. Located throughout the country, finding a location close that suits your individual needs is a breeze. Services Include: Dog Daycare, Boarding, and Dog Washing

WHY OWN A PLAYFUL PACK

- You have the opportunity for excellent earnings.
- No pet care experience required beforehand.
- Can operate as an owner, manager, or part-time manager.
- Single and multi-unit territories are available.
- Mobile website technologies facilitate appointment booking smoothly.
- The total investment for a single unit is around \$400,000.
