Additional Details

NTV360 presents an exceptional franchise opportunity that delivers high-margin, recurring revenue with minimal overhead—making it an attractive option for franchise consultants looking to offer their clients a scalable, semi-passive business model. This turnkey digital advertising franchise allows entrepreneurs to place indoor digital billboards in high-traffic venues, such as restaurants, gyms, and medical offices, at no cost to the business owner. Franchisees generate revenue by selling ad placements to local businesses, tapping into a proven advertising model that requires no employees, inventory, or storefront.

With investment levels ranging from \$35,000 to \$75,000, NTV 360 is an accessible opportunity for a broad range of investors. The total investment falls between \$48,150 and \$120,405, with franchisees often reaching positive cash flow within six months. The business boasts net profit margins of up to 72%, with some affiliate-owned locations generating over \$295,000 in annual gross revenue. Exclusive territories create a strong sense of urgency for buyers, and the simple, scalable model makes it an easy sell for consultants looking to place candidates in a low-risk, high-reward business. If you're looking for a high-demand franchise that practically sells itself, NTV 360 is the perfect addition to your portfolio!
