Additional Details

N-Hance presents an exciting opportunity for aspiring business owners looking to break into the booming home improvement industry. As one of the largest cabinet refinishing franchises in the U.S., N-Hance is known for bringing wood surfaces back to life with a blend of beauty, durability, and affordability that appeals to both homeowners and businesses.

Franchisees typically offer a range of in-demand services, including cabinet refinishing, staining, custom painting, door replacement, and organizational solutions - ultimately allowing for multiple revenue streams. Backed by innovative, proprietary processes and a strong support system, N-Hance stands out as a smart choice for entrepreneurs ready to build a scalable business with real potential.

Part of the BELFOR Franchise Group Family of Brands

BELFOR Franchise Group provides franchise owners with comprehensive support, including in-depth training, ongoing business coaching, and strategic marketing initiatives. This long-standing commitment to franchisee success has positioned the franchisor as an industry leader and earned it a strong reputation as a trusted partner for entrepreneurs pursuing opportunities in the home services market.

Industry & Demand

Homeowners consistently invest in kitchens and living spaces, and many want transformation without the time, mess, and expense of a full remodel. Refinishing and reconditioning meet that demand with an attractive value proposition.

WHY N-Hance Wood Refinishing?

High-demand niche within home improvement
Differentiated technology and process vs "traditional refinishers"
Faster, cleaner, more convenient customer experience
Low overhead and scalable operations

Business Model Highlights

Premium service with strong margins and clear ROI for customers
Faster project timelines than traditional remodeling
Often home-based with no retail showroom required
Repeat and referral-driven local business (design, realtor, homeowner referrals)

Competitive Advantages

Proprietary refinishing methods designed to minimize dust and odor
Lightspeed® U.V. instant-cure technology for faster completion and less downtime
Strong brand reputation and established processes
