## **Additional Details**

1-800-Plumber +Air is one of the only combined plumbing and HVAC franchise opportunities servicing both residential and commercial clients. We have proven success working with entrepreneurs by giving them the tools they need to be successful in the plumbing and HVAC industry.

When entering into a market, brand strength matters. 1-800-Plumber +Air offers a unique advantage where our name, number, and website are easily memorable and recognizable. There isn't anyone else like us, our name is our number! By becoming a 1-800-Plumber +Air franchise owner, you not only get the benefits of the best name in the service industry, but you gain access to our software systems to help run your business, proven business methods, and on-going training within the 1-800-Plumber +Air system that will give you the tools you need to be successful in your specific market. Our average launch cycle is 90 days from the point the franchise agreement is signed to the franchise owner generating revenue into their business. Our ideal client is a professional business owner who sees the value in building a highly stable business that is rooted in the trades. We also have systems in place to convert existing plumbing or HVAC business into a successful franchise location. All franchise owners attend a week-long training course before opening to help understand the industry and the systems we have in place to help them succeed. No trade experience is necessary to own a 1-800-Plumber +Air franchise!

Our goal is to help our franchisees scale their business. This is why we offer multiple trades under one brand! Even with just one territory, generating revenue with multiple service offerings allows our franchise owners to mine deeper within their customer base and reduce the cost of their customer acquisition.

Honesty and integrity are the fabric of our company and will be carried out throughout the brand. Our mission is to bring these values back into the industry through each customer interaction we have. At 1-800-Plumber + Air, we will always tell the truth, do what we say we will do, and never sell someone something they do not need. It's that simple, but also that important. By treating our customers and franchise owners with these three basic principles, we are transforming the plumbing and HVAC industry.

### **WHY 1-800-Plumber +Air?**

Highly Recession Resistant - Even through Covid Industry will not be disrupted by technology It is the backbone of our society. Neither plumbing or AC will be going away anytime soon
