

# PAINT YOUR FUTURE WITH A DIFFERENT BRUSH

For over 20 years, the Five Star Painting® franchise opportunity has empowered over 200 owners - in over 260 territories to paint their future with a different brush. With our established model and uncompromising commitment to quality, we put the power in their hands to secure the time, freedom, and possibilities that have been missing from their lives. The consensus among Five Star Painting franchise owners? They wish they'd have jumped into this opportunity years ago. Nothing like a fresh coat of paint to change your perspective.

## A Full Palette of Franchise Benefits

**No Painting Required:** Some states may require a license, but they don't require owners to paint!

**Highly Scalable Model:** Operational simplicity, small footprint, low overhead, no initial office space required. Year-round services. Potential for a more hands-off approach to rapid growth over time.

**Prime Territories:** Room to grow with protected territories

**No Employees Necessary to Start:** As your business grows, you could hire estimators, project managers, and/or office staff

**Flexible Schedule:** A Family-friendly work week, no emergency or on-call work

### ProTradeNet® Buying Power:

- Price breaks from 250+ suppliers; \$98M in upfront savings and \$8.7M Neighborly®-wide annual rebates given for the full year 2023<sup>5</sup>
- Access to medical, dental and vision insurance
- Training and buying power with the biggest names in paint

## Prep. Prime. Paint.
