Based at the Cleveland Comfort Hotel in Middle St, the meetings sessions will commence on Friday afternoon and finish on Sunday after lunch. Many of these people will have travelled many kms and hours to get here. I would like to ask that we show great hospitality to our visitors in tangible ways. Firstly, to assist with transport from Brisbane Airport to Cleveland and return and also during the weekend. You are invited to attend sessions of the meeting and the Saturday night dinner at Redlands RSL and / or assist with transport to the Cleveland Ferry terminal for a trip to Stradbroke Island or Sirromet Winery on Saturday afternoon. *More details in next Jottings.*
