### SOCIAL CLUB REPORT

Where has January gone? It's February already, and the year is well and truly underway. January was fairly quiet event-wise, with two bus outings that were both very enjoyable.

Twelve residents visited the Campbelltown Arts Centre, followed by lunch at the Campbelltown Catholic Club, where the food was very tasty and much enjoyed by all. The Mystery Trip on the 28th took residents to Cronulla Beach, with lunch at the Cronulla RSL. The destination remained a secret until we were almost there, leading to plenty of guessing and lively discussion on the bus. It was a most unexpected location, with many residents not having visited the area for many years.

The Australia Day BBQ was a huge success, with 52 residents attending. The sausages and onions were expertly cooked by Bernie, who did a fantastic job. A big thank you also to the Social Club members for all their hard work in organising the event.

Thank you to Maureen B for preparing the Australia Day trivia questions, and to John Jose and Anna for leading the sing-along of Australian songs, which was thoroughly enjoyed.

John (Sean) Flavin (V33) celebrated his 90th birthday on the 22nd, and the Friday night bowling group marked the occasion with a birthday cake and a rousing rendition of Happy Birthday. We would all like to wish John many happy returns.

The Social Club events for the year, along with Wednesday bus trips through to the end of May, have now been planned. Expressions of interest will be placed on the noticeboard shortly for the Blue Lagoon and Floriade overnight trips, as well as the Premier's Gala Concert, a free event held in the city. 16 tickets have been secured for the event and are available on a first come, first served basis so please sign up if you would like to attend.

Please note that all events and bus trips are subject to change.

Take care,

The Social Club

# Village Managers Report

Dear Residents,

I hope you have all been enjoying the summer, even if the weather has been a little mixed at times. February is a wonderful opportunity to focus on connection, care, and kindness across our village.

Early in the month, World Cancer Day on 4<sup>th</sup> February reminds us to show support for residents, families, and carers who have been affected by cancer, and to encourage awareness, regular health check-ups, and compassion for one another.

Later in the month, Random Acts of Kindness Day on 17<sup>th</sup> February is a great chance to celebrate the little gestures that make a big difference, whether it's a smile, a friendly chat, or helping a neighbour. These small acts reinforce the caring and supportive community we strive to maintain every day.

With the social club having enjoyed a well-earned break, village events are starting to pick up again. I encourage residents to check the newsletter and the "What's On" section to see all the activities and gatherings happening around the village this month.

Throughout February, I encourage everyone to stay connected, look after their wellbeing, and enjoy moments of togetherness. Whether through shared conversation, time spent with loved ones, or small acts of kindness, these interactions strengthen our sense of community and ensure everyone feels supported and valued.

Take care, Ajay

# Grounds Maintenance

We've had a mix of weather recently, some welcome rainy days and a few very hot spells. Thanks to the rain, our gardens and grounds are well-moisturised and thriving. In the coming weeks, we will be mowing the lawns, and our village will be looking green and refreshed once again. Our dedicated Garden Team is keeping busy with weed control and general cleaning throughout the village to maintain a tidy and pleasant environment for all residents.

We would also like to acknowledge our garbage contractors, who continue to deliver exceptional service, ensuring our community stays clean and well-maintained. A big thank you to everyone for helping us keep the village looking its best!

## ATTENTION

**DON'T BE A TOILET BLOCKER!  
PLEASE ONLY FLUSH THE 3 Ps:**

**PEE  | POO  | TOILET PAPER **

We've recently had issues with our wastewater pumps due to blocked pipes, leading to avoidable call-outs and repair costs.

## WHAT'S CAUSING THE PROBLEM?

Items that should NEVER be flushed, including:

- **WIPES (EVEN "FLUSHABLE" ONES)**
- **PAPER TOWELS & TISSUES**
- **HAIR & COTTON BUDS**
- **FATS, OILS & GREASE**

These items clump together, blocking drains and causing toilets to back up and pumps to fail. Tea towels & plastic ties were also found in the pumps

Please remember: if it's not pee, poo or toilet paper, it doesn't belong in the toilet. Thank you for helping keep our plumbing and pumps working efficiently for everyone.

## STRATA MEETING CORRESPONDENCE

Correspondence for inclusion in the Strata Meeting will only be accepted up to 2 weeks prior to the scheduled meeting date.

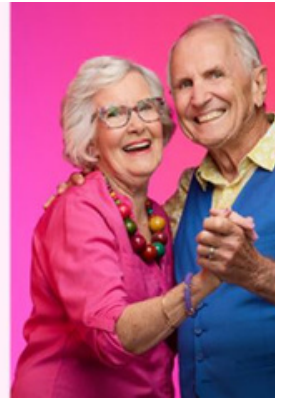

Next meeting is Tuesday 17th February.

Please ensure you are prepared.

NSW  
Premier's  
Gala Concerts  
2026

# Live life in colour

We're delighted to let residents know that we have secured tickets to the NSW Premier's Gala Concert as part of the NSW Seniors Festival on Wednesday 11 March. This popular free concert features a wonderful line-up of performers including Dami Im, Nathan Foley, Jay Laga'aia, Olivia Fox and Tarryn Stokes, promising an enjoyable and entertaining day out.

We have 16 tickets available, which will be offered on a first-come, first-served basis, so please be sure to add your name if you'd like to attend.

Residents will also have the opportunity to visit the Seniors Expo on the same day, making it a great outing with something for everyone. Don't miss out.

## Being Respectful of Our Neighbours

To help avoid disturbing your neighbours, we kindly ask that you keep TV and radio volumes at a reasonable level, particularly during the evening and night-time hours. The use of headphones is also encouraged as an additional additional consideration during these quieter times

Thank you for your cooperation and consideration for others.

## Garage Sale Update

Our next garage sale is scheduled for the 22nd June.

We kindly ask that items are not donated until **two weeks prior** to the event.

Unfortunately, we do not have the space available to store donations, and early drop-offs can become a potential fire hazard.

Thank you for your cooperation and understanding.
