The weather is warming up, and it looks like we could have a very hot summer ahead!

Residents enjoyed a shopping trip to Macquarie Centre on our Wednesday bus outing. With more than 360 shops, there was plenty for everyone to browse, shop and enjoy.

A full bus headed to the Japanese Gardens at Auburn on the 23rd. What a magnificent place! The gardens are beautifully maintained, peaceful and easy to walk around. Afterwards, everyone enjoyed lunch at Dooley's Catholic Club at Lidcombe, where the food was excellent. It was a lovely day out and great to see everyone enjoying themselves.

The Village Garden Competition was judged by Councillor Les Sheather on the 24th. The winners will be announced at the Village Birthday Party. We would like to thank Les for giving his time to judge the competition for us. Thank you, Les!

There are plenty of opportunities coming up for everyone to get involved, whether it's enjoying a day out, joining in a village event or simply catching up with neighbours.

Coming up in October:

- 8th – WCV Birthday Party
- 21st – Sri Venkateswara Hindu Temple, Helensburgh
- 27th – Owners Corporation General Meeting
- 28th – Innovations Outlet / Flower Power

Keep an eye on the bus list and put your name down early, as some outings fill up very quickly. We look forward to seeing everyone getting involved and enjoying the activities together!

Take care,

Village Managers Report

Dear Residents,
Welcome October.

Spring is well and truly here, the days are getting longer and the warmer weather is giving us plenty more opportunities to get outside and enjoy the village.

International Day of Older Persons –

1 October is International Day of Older Persons, a day to recognise and celebrate the contribution older people make to their families, communities and society.

It is also a lovely opportunity for us to celebrate the people who make our village what it is. Our residents bring with them a lifetime of experiences, stories, skills and friendships, and each person adds something special to our community. So why not take the opportunity to have a chat with a neighbour, catch up with a friend or share a story over a cuppa?

Daylight saving starts on **Sunday, 4 October**, which means longer evenings and more time to enjoy being outdoors.

Don't forget to put your clocks forward and check any household appliances or other devices that don't automatically adjust.

With the warmer weather also comes the usual reminder to drink plenty of water, slip on a hat and take care in the sun.

October is a great month to get out and enjoy everything happening around the village. Sometimes it's the simple things that make village life enjoyable, and there is always someone to have a chat with!

There is plenty happening over the next few months as we head towards the busy end of the year, so make the most of October. We hope to see you all at the birthday party to celebrate Windsor Country Village's 39th birthday.

Enjoy the warmer weather and have a wonderful October!

Thanks, Ajay

Grounds

MAINTENANCE

Our village grounds are looking particularly good as we move into spring. The warmer weather has brought plenty of new growth and colour to the gardens, and it is lovely to see everything looking fresh and inviting.

There is plenty happening around the village over the coming weeks. Pathways are being pressure washed and re-sanded to keep them clean, safe and looking their best. We are also continuing with weeding, general garden maintenance and tidying of the communal areas.

Spring is also a good time for residents to give their courtyards a bit of a tidy-up and get them ready for the warmer months ahead. Please remember to keep pathways and shared areas clear so they remain safe and accessible for everyone.

We appreciate your patience while maintenance work is underway and ask residents to take a little extra care around areas where work is being carried out.

Village Courtyard Competition

A big thank you to Councillor Les Sheather for taking the time to judge our annual Village Courtyard Competition. Having a guest judge made the competition extra special, and we appreciate him taking the time to come along and admire all the wonderful courtyards. There were some fantastic entries, so choosing the winners won't have been an easy job!

The winners will be announced at our WCV Birthday Party, so stay tuned!

REMINDER

Resident Mail & Parcel Handling

Please remember that all mail, packages, and parcels delivered to the village should only be handled by the person to whom they are addressed.

Unless a neighbour has directly asked you to collect or deliver something on their behalf, please do not **touch**, **move**, or **deliver** mail or parcels belonging to other residents. Misplaced or prematurely moved items can cause unnecessary confusion and worry for your neighbours' trying to locate their deliveries.

Thank you for your cooperation and for keeping our community respectful and neighbourly!

REMINDER

ANNUAL GENERAL MEETING

Our Owners & Residents' Annual General Meeting (AGM) is scheduled for:

Tuesday, October 27th

A reminder that you must be up to date with your levies to be eligible to vote at the AGM. Please check your latest levy statement. If you have not yet adjusted your levy payments to reflect the new financial year, please do so as soon as possible.

Any correspondence or items you would like considered at the meeting must be received by **Tuesday, 6 October 2026** (three weeks prior to the AGM) to allow sufficient time for inclusion in the relevant agendas.

**Many thanks
to Councillor
Les Sheather
for judging
our garden
competition.**
