SOCIAL CLUB REPORT

Another month gone, this year is sure going fast. March was quiet event wise. St. Patrick's Day lunch at Pub Rivo saw 18 Residents attend, the food was very tasty and plenty of it.

Unfortunately, we had to cancel the Wednesday bus trip to Fairfield Historic Village but we will slot it in for another time.

We have a busy April, starting with the Garage Sale on the 7th for 3 days, followed by the Easter Sunday Egg Hunt, Anzac Day Ceremony, Donna Lou Fashion and Jewellery Stall, Tractor 828 Morning Tea and the bus trip to Mount Wilson. Please look in the newsletter for event dates and check the notice board in the Community Centre.

The Residents enjoyed their 2-night stay at the Blue Lagoon Resort.

If you have any goodies for the Garage Sale please leave by the kitchen door in the Community Centre, we have a good assortment already but more is always welcome.

Take Care,
WCV Social Club

Village Managers Report

A guest edit from me this month! While I was away in March on leave, it was lovely to return to so many smiling faces and see that another busy month has flown by. April is already shaping up to be just as full. In March, the village bus underwent some major parts replacements to resolve the ongoing air-conditioning issues. The grounds are looking fantastic as we ease into early autumn, and we've also received some updates on the Bandon Road upgrade project. These include short-term works to create a new car park, bus stops, and a pedestrian crossing at Vineyard Train Station. See the noticeboard for more info, or click [HERE](#) to read the update. Please note that this update only relates to the design phase—no timeline has been provided yet.

The NRL season is underway, and our Footy Tipping competition has a strong group of keen tipsters already battling it out! Some impressive early round results have come through, and the current rankings will be up shortly.

Our intrepid travellers enjoyed a wonderful trip to The Blue Lagoon Resort, and April has a packed calendar of activities to look forward to as well.

This month includes our Fire Warden Training, open for all residents to attend. Following that, we'll be hosting the Volunteers' Thank You Lunch. WCV simply couldn't operate on our budget without the incredible contributions of our generous volunteers. On behalf of the Operator and Management, I'd like to extend a heartfelt thank you for everything you do. As the weather begins to cool, please take a moment to check your home for fire safety. Test your smoke detector battery, and ensure any electric blankets are in good condition. It's also worth considering the

benefits of reverse-cycle air conditioning, it's a safer and often more cost-effective option than plug-in heaters.

With Easter, ANZAC Day, and school holidays approaching, April offers a special opportunity for reflection and connection with family and friends. Enjoy this time, and don't forget to drop by the community centre and get involved!

Warm regards,
Paddy

DON'T FORGET

FIRE WARDEN TRAINING - ALL WELCOME

We love seeing our furry friends out and about, but let's keep our footpaths, and community spaces clean. Please remember to pick up after your dog and dispose of waste properly. Let's all do our part to keep our village enjoyable for everyone!

Training will take place at the Community Centre on:

Date: 2nd April
 Time: 10:00AM-12:00 PM

This will include Fire Extinguisher and Defibrillator Training. While the session is essential for all Fire Wardens, everyone is welcome to attend.

This is a great opportunity to learn important safety skills and be prepared in case of an emergency. We encourage as many residents as possible to join!
