### SOCIAL CLUB REPORT

It's May already – the months are certainly flying by! The Garage Sale last month was a fantastic success, raising \$420. A big thank you to all Residents and Staff who donated items and made purchases. The Social Club truly appreciates your support for all our fundraisers.

"Annie" the Musical was enjoyed by eight Residents. Thank you once again to Robert for kindly driving us to these events. Easter Sunday's egg hunt and hot cross buns morning tea was a wonderful morning, with 20 Residents attending. It was lovely to see everyone catching up and having a chat.

Morning Tea at Tractor 828 was a delicious outing, with most Residents indulging in the café's famous pancakes with ice cream and maple syrup – yum!

Vivid Sydney is coming up soon! It runs from 23rd May to 14th June 2025.

If you're interested in attending, please register on the notice board. Anzac Day saw a fantastic turnout, with 50 Residents and Guests joining us. The weather stayed fine, which was a relief for all. Morning tea after the service was also well attended. Thank you to Bernie C. for being our wonderful M.C. once again, to Sandra for providing her delicious cakes, and to everyone who helped set up and put out chairs. We are truly lucky to have such a fantastic Community here at WCV.

# Village Managers Report

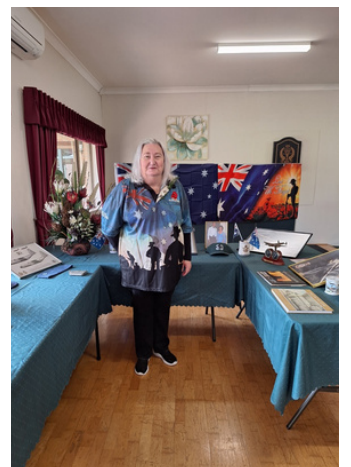

Hello Residents,  
I hope you all enjoyed your Easter celebrations, and ate too much chocolate (like I did).

What a busy month! From Garage Sales, Fire Warden training, the kick off of our Footy Tipping, NSW police scams talk, Hills Hearing, Donna-Lou fashion, an amazing ANZAC service and of course some memorable bus trips to the Seniors Festival Concert, Annie the musical and Tractor 828, just to name a few. I'd have to mention the highlight for me was having the privilege to see and touch the ANZAC memorabilia from our very own residents.

While the warmer weather has disappeared and the cooler days are setting in and slowing down the outdoor activities, the village remains very active in the month ahead of us. Hazard reduction at the front of the village to be completed and all piles of debris will be removed and turned into mulch. The mandatory maintenance for solar owners is going ahead with some owners choosing to remove their solar systems, please be aware over the coming months there will be people on roofs and completing inspections on the solar systems.

As I am writing this month's newsletter, a whirlwind of emotions rush over me. It is with heavy yet grateful heart that I have made a decision with my family at the forefront of my mind to leave the role as Village Manager at WCV. The time I have spent here with everyone has not just been a part of my career journey but a cherished chapter of my life. A big thank you for your support and camaraderie, it has made my time here truly special. I'll will miss the friendly chats and moments we've shared – it's been a joy to be part of the warm, community that each of you helps create here at the village (resident pets included!). I wish you all countless happy memories and meaningful experiences as you continue your journey here at the village.

Thank you, Mel x

With the short weeks, rainy days, and Stephanie enjoying her well-deserved two-week break, the team has continued to carry out duties and respond to requests effectively. With the warmer weather easing off, we've been able to focus on catching up with tasks that needed additional attention.

We've also made some recent purchases to help progress areas that required a bit of a push, ensuring we stay on top of village needs.

I'd like to express my sincere gratitude to both Andy and Steph for their ongoing dedication and commitment to delivering quality work for our residents and the village.

# 2025 FOOTY TIPPING COMP

## Footy Tipping Update – Round 8

The competition is heating up as we head towards the halfway mark! David Hornby has taken the lead with an impressive 42 points, followed closely by Sylvia Adams on 40 points. Tied in third place are Paul Donkin and Maureen Grimaldi with 37 points each, with Val Turner rounding out the top five on 36.

It's great to see strong performances across the board and plenty of friendly rivalry. With many rounds still to go, it's anyone's game – so keep those tips coming!

Good luck, and happy tipping!
