A NOTE FROM THE SOCIAL CLUB

Winter Solstice has come and gone with the days starting to get longer, but we are still in for a lot more very cold days.

Six Residents enjoyed a trip to Vivid in the city on the 5th and had a lovely meal at an eatery.

Thank you to Linda (V99) for organising a visit from Rachel selling her beautiful plants on the 10th June. She had a great display of plants of all kinds for sale. She will be back in the Spring with another assortment. She will also be at Tractor 828 on the 31st when the Village Bus goes there for morning tea.

Village Manager's Report

Hello Dear Residents,

We have experienced some great events during June, and now, we have so much to look forward to in July.

The Mid-Year Dinner was fantastic. A **huge** thank you to the Social Club for all their hard work in organising the mid-year dinner. There was so much to do: moving the tables and chairs (Frank also), setting the tables, and clearing up, after the event. It is so wonderful to have volunteers who organise these events. Thank you!

Thank you to everyone who supported Marty's push ups during the month of June, we raised just over \$100 and it is appreciated for a worthy cause.

We have **Shared Reading** attending on the 10th July, which is very well received in a number of villages. It is perfect for anyone who can no longer read, or who simply does not wish to read. There is a discussion afterwards. Highly recommend you attend the free sampler. Please register your name. As you know, the Paris Olympic Games commences at the end of July. To get everyone in the sporting spirit, we are hosting **The WCV Olympics on Tuesday 23rd July**. We have Darts, Quoits, Shuffle Toss. Please check out the sign up board in the community centre, for the schedule of "sports". It will be lots of fun, so please join in. I am also lifting the cover on the pool table, as I would love to see it used more.

Monthly walk around the village: I would like to commence a monthly walk around the village, so we can discuss, where we are up to in gardens, fencing repairs, and what we have completed during the month in preventative maintenance. It is also great to get out for a walk and get some exercise and fresh air. This will be a monthly event on the last Friday of the month at 10 am. I look forward to seeing you in the Community Centre for our first walk on Friday 26th July at 10 am.

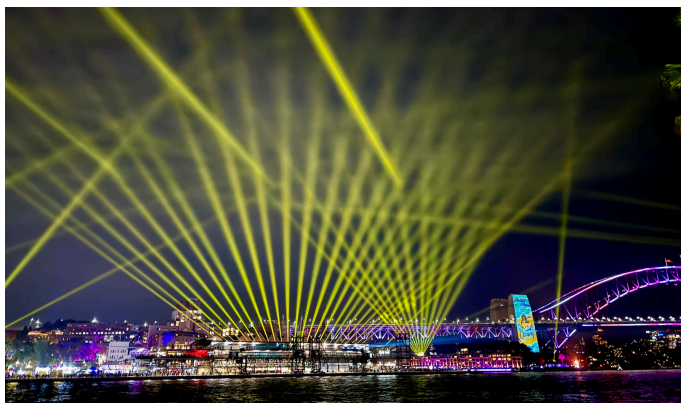

We all love a BBQ! The meat tastes so much better. We are looking for someone to host/cook a monthly lunchtime BBQ for Residents. Everyone brings their own meat etc., Please, have a think about this and let me know if you are interested.

We are in need of a couple of additional Fire Wardens. Please come and see myself or Barbara Halton if you would like to volunteer.

My thought for the month is "Winning medals isn't the point of the Olympic. It's the participation that counts". Pierre De Coubertin.

Enjoy July Everyone!

2024 NRL FOOTY TIPPING

Cannot believe we are already heading into Round 17. Our tipping competition is closely contested. Bernie, Dave Hornby, Robbie, Paul Donkin, and Anna, all up the top of the table.

State of Origin Game 1 Pizza night had 15 attendees and by all accounts the pizza from Pizza Hut was a success.

We hope to do this again next year.
