### SOCIAL CLUB REPORT

Autumn is now upon on, the mornings are getting cooler. We had a lovely bus trip to Palm Beach with lunch at a Club and a drive to the beach. We stopped off at Flower Power in Terrey Hills on the way back, what a huge store!

The Chinese meal night was a great success with 32 Residents attending, the food was delicious as usual and thank you to Maureen Black for doing her trivia, we will book her again!

Our visit to the new Western Sydney International Airport Experience was a great success with 12 residents attending. It was very informative learning how the airport will operate in the future.

Coming up we have our trip to Fairfield City museum on the 19th.

Take Care,

# Village Managers Report

What a wonderful month it's been with events and outings bringing us together in record numbers. Wednesday outings have been planned to attend hot destinations and have been well enjoyed.

The carpark has been a hot topic this month around the village and adjustments to support the need for less congestion have been put in place along with changes to bin use.

In the coming month we are looking forward to the gutter cleaning going ahead and again more fantastic outings with the Blue Lagoon weekend away and the Seniors Festival. We still have lots of spare tickets to the Premiers Gala Concert if you are interested in attending, it's definitely a trip not to miss and something to look forward to annually.
