Mount Tomah/Bilpin

25th – 9:30 am
Cronulla Beach Trip

Bus Trips
Mon - Riverstone
Tues - Windsor
Thurs - Windsor
Fri - Richmond

Village News

SOCIAL CLUB REPORT

Nearly Christmas once more!

On 7 October, the Village Bus went to Westfield Mt Druitt instead of Penrith. All the residents who went along enjoyed the change of venue.

The bus trip to the Sri Venkateswara Hindu Temple in Helensburgh on the 21st was a great day out. What a magnificent sight the temples are, both inside and out! We had lunch at the Tradies Club in Helensburgh, where the food was delicious.

On the 28th, the bus went to DFO Eastern Creek for a shopping spree. The complex was huge, and we had a good walk around exploring. We then stopped at Flower Power in Prospect on the way home for the gardeners, followed by a delicious lunch.

The bus trip to the new Western Sydney Airport has been postponed until early next year. Instead, we will be heading to Mt Tomah on 18 November and stopping at Bilpin on the way home for some apple pies!

The Village Birthday Party was a huge success, with 55 people attending. The food, as usual, was very tasty, and the entertainer, Lisa B, was a great hit. We have booked her again for the Christmas Party on 10 December.

The trip to Cronulla on 25 November is still going ahead. Please sign up on the notice board.

Take care,

The Social Club

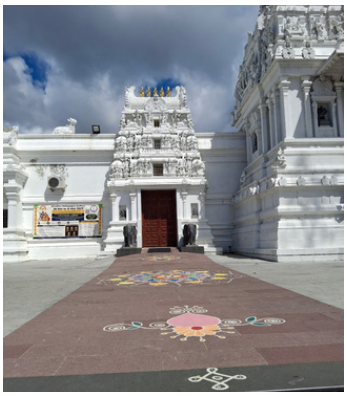

Village Managers Report

Dear Residents,

November is here, and summer is just around the corner! With the warmer weather and Christmas not too far away, it's a good time to get a few things organised around the village. We'll be finishing off our spring gardening and making sure our common areas and facilities are ready for the months ahead.

It's also a lovely time of year to get outside, enjoy the sunshine and catch up with friends and neighbours. As always, please look out for one another and remember that our team is here to help if you need anything.

COMMUNITY HEALTH & WELLBEING

Movember – Men's Health: November is Movember, which raises awareness of men's health. It's a good reminder to keep up with regular health checks and to look after both our physical and mental wellbeing. Sometimes a chat and a little support can make all the difference.

Melbourne Cup – The Race That Stops the Nation: Join us in the Community Centre on Tuesday, 3 November for our annual Melbourne Cup afternoon tea and sweepstakes. It's always a fun afternoon, so feel free to dress up, enjoy a cuppa, have a flutter in the sweepstakes and join in the excitement of the race!

A Little Reminder: Life doesn't always go to plan, and sometimes unexpected things pop up. Whether you need a hand with something around your home or just a little support, please don't hesitate to speak with a member of our WCV team. We're always happy to help.

Grounds MAINTENANCE

Spring Growth & Floral Displays: As the spring season continues, our gardens are thriving. All plants across the property are flowering beautifully and showing healthy new leaf growth, creating an inviting atmosphere for everyone enjoying the outdoors.

Completed Pathway Upgrades (October 2026): All common pathways across the village were thoroughly pressure washed and treated with a fresh sand rub. This has removed built-up moss and dirt, filled pave joints, and significantly improved foot traction and walkway safety.

Summer Grounds Preparation: The garden team is currently managing heavy spring growth, topping up mulch to preserve soil moisture, testing irrigation lines, and keeping pathways clear of overhangs.

Congratulations

A big thank you to everyone who took part in this year's Courtyard Garden Competition. Our courtyards are looking beautiful, and it was wonderful to see the time and care residents have put into their gardens.
The winners are:

- **Best Overall Garden: Dawn Antoniou, V54**
- **Best Use of Colour: Patricia Boath, V78**
- **Best Fragrance: Paula Toal, V25**
- **Best Hanging Baskets: Dawn Antoniou, V54**
- **Best Pots: Kerry Oliver, V70**

Well done to all our winners, and thankyou to everyone who took part and who helps make our village gardens so colourful and inviting!

REMINDER

BIN POLICY REMINDER

PLEASE DO NOT LEAVE OR DUMP ITEMS IN THE BIN AREAS

Keep Common Areas Clear:
Do not place bulky waste, furniture, or household items in or in/around the bin areas.

Wait for Bulky Waste Collection:
If you have items for disposal, please hold onto them until the "Quarterly Resident's Bin" arrive (once a quarter).

Thank you for your cooperation in keeping our village clean and safe!

WATER CONSERVATION & LEAK REPORTING

With rising temperatures and increased outdoor activity, water management is a top priority for our village this season.

Save Water: We kindly ask all residents to be mindful of water usage. Simple habits—such as running washing machines with full loads, keeping showers brief, and watering gardens during cooler morning or evening hours—make a huge collective difference.

Report Leaks Promptly: Early detection is vital to preventing property damage and avoiding water waste. If you notice any issues, please report them immediately:
Inside your unit: Dripping taps, running toilets, damp spots on walls/ceilings, or low water pressure.

On common property: Pooling water on pathways, soggy lawn patches, leaking irrigation lines, or dripping outdoor taps.

How to Report: Contact the office or complete a maintenance request form.

No leak is too small to mention!

Many thanks to Councillor Les Sheather for judging our garden competition.

SUMMER WORD SCRAMBLE

Unscramble the letters to reveal the summer words!

Write your answers on the lines. Have fun!
