SOCIAL CLUB REPORT

Another busy and enjoyable month has flown by, filled with special celebrations and well-loved outings.

At the end of January, Ann Shepley (V72) celebrated a very special milestone, her 90th birthday. Ann's family surprised her with a beautifully decorated party in the Community Centre, shared with family and friends. It was a lovely gathering, and we even received some wonderful comments from guests about what a great centre we have and the wide range of activities and events enjoyed here at the Village.

On the 18th, the Village Bus headed off to Sydney Outlet Village, followed by lunch at the Liverpool Catholic Club. It was a relaxed and enjoyable day out, and everyone had a great time.

Our recent bus trip to Picton Botanic Gardens was also very well received, 10 residents enjoyed a perfect day wandering around the gardens before heading to Gloria Jean's in the mall for lunch. The outing was thoroughly enjoyed by all and was a lovely chance to spend time in beautiful surroundings.

Looking ahead, sign-up sheets are now on the notice board for two upcoming trips:

-  Blue Lagoon Central Coast - 2-night stay
- Wed 25 - Friday 27 March
-  Floriade in Canberra - 1-night stay
- Tuesday 22 - Wed 23 September

Please remember to add your name if you're interested, as places are limited.

Take care,
Social Club

Catholic Club

Village Managers Report

Dear Residents,

As we move into March, we welcome the change of season and a new month with a few important updates to share.

Cost of Living Update

From 20 March 2026, changes to social security payments, rates, and limits will take effect. Many Age Pensioners will notice a small increase in their fortnightly payments.

My Aged Care Updates

Updates to the My Aged Care system have commenced. Residents and families are encouraged to check the My Aged Care website for the latest information and to see if any changes may apply to them.

Looking Ahead to March

March marks the transition from summer into autumn and is a good time to settle into new routines as the weather begins to cool. Recognised as **International Creativity Month** and **Self-Love Month**, it's a nice reminder to take care of yourself and enjoy activities you find meaningful.

This month also includes **Harmony Week (18–24 March)**, which is a wonderful opportunity to reflect on and celebrate the cultural diversity within our village. It's a reminder of the importance of inclusion, mutual respect, and the sense of belonging that helps make our community such a welcoming place for everyone.

I look forward to sharing the month ahead with you.

Take care, Ajay

Grounds Maintenance

Our gardens are looking their best at the moment, thanks to the beautiful weather we enjoyed throughout February. The steady sunshine and mild temperatures have helped create lush green lawns and colourful blooms right across the Village, adding to the welcoming feel of our outdoor spaces.

Andy and Stephanie have been hard at work and you may have noticed tree trimming underway around the Village. This important work helps keep our trees healthy, improves safety, and ensures pathways and garden areas remain tidy and easy to enjoy.

Overall, the gardens continue to look vibrant, well cared for, and a pleasure to walk through, creating an inviting environment for both residents and visitors alike. We're looking forward to the beautiful Autumn colours that will be arriving very soon.
