SOCIAL CLUB REPORT

August is here! July brought some very cold days, with a few good frosts. We will be glad when the temperature start rising again.

We had an excellent turnout for both the **Scam Prevention Talk** and the **Preparing for the Census Talk**, with residents enjoying the opportunity to learn about topics that become increasingly important as we get older.

The Postman's Run trip on 22nd July was enjoyed by all 14 residents who attended, with perfect weather, delicious food and great company making it a wonderful day. We'll definitely be going again next year!

We also held a Farewell Afternoon Tea for Stephanie on 23rd July. While we're sorry to see her go, we wish her all the very best for the future. Thank you to everyone who contributed towards her farewell gift—we collected \$170, once again showing what a generous village we have.

On 29th July, 12 residents enjoyed lunch at Blacktown Sports Club, where the buffet continues to be excellent value at just \$20 per person.

Our Wednesday bus trips have now been planned through to the end of December, and we hope everyone enjoys the destinations.

This month we're heading to Warragamba Dam on 19th August and Stanhope Village Shopping Centre on the 26th August, with both trips departing at 9:30 am. Be sure to keep an eye on the newsletter for more upcoming events! All events subject to change.

Take care!

Village Managers Report

Dear Residents,

A big thank you to everyone who attended our recent information sessions in the Community Centre! The sessions on Scam & Online Fraud Prevention (presented by Services NSW) and Preparing for the 2026 Census were both very well attended and sparked great discussions.

We have two more valuable sessions lined up for August:

Hearing Test Open Day

When: Tuesday, 4th August 2026, from 8.30 am

Details: Free hearing screenings and professional advice for residents in the Community Centre.

Bandon Road Early Works Information Session

When: Monday, 10th August 2026, 2 pm

Details: An update on the upcoming early roadworks along Bandon Road, including expected timelines, access details, and traffic management plans.

Community Centre Upgrade & Surplus Furniture EOI

If you've dropped by the Community Centre recently, you've likely noticed our new furniture has arrived! The new lounge and seating arrangements look fantastic, adding warmth and making the centre a far more comfortable and welcoming hub for our daily catch-ups and events.

With the new furniture now in place, we have a few lounges that are surplus to the Community Centre's needs. We are inviting expressions of interest from residents who would like to purchase or adopt these items for their homes. Please pop into the office or contact me directly if you'd like to inspect them.

Grounds

MAINTENANCE

Goodbye
& Good Luck

Stephanie

Despite the cool winter weather, our village grounds are looking remarkably vibrant and well-kept.

Gardens & Grounds: A special shout-out to Andrew, who has been working tirelessly across all common garden beds. On top of managing the daily maintenance while we recruit for Stephanie's replacement, Andrew's hard work on pruning, mulching, and general garden tidy-ups has kept the village looking pristine.

Winter Soil Health: Thanks to good moisture retention from earlier rains, our winter flower displays and lawn areas are holding up exceptionally well.

Repairs & Preventative Maintenance: General maintenance tasks, including path clearing, outdoor light checks, and common area hardware repairs, were successfully completed throughout July to keep everything running smoothly and safely.

Farewell & Thank You to Stephanie! It is with mixed emotions that we announce our gardener, Stephanie, has left us to pursue a new full-time career opportunity. We would like to formally acknowledge and extend our deepest gratitude for her wonderful contributions, hard work, and bright energy around the village grounds. We wish her all the absolute best in her next chapter!

Recruitment for a new grounds assistant is currently underway, and we hope to introduce our new team member to you all soon.

THE DRAMA UNFOLDS! 🏆

Things are heating up! Maureen, V1 is the woman to beat with 100 points, but she's got Paul, V7 breathing down her neck just 2 points behind at 98. Robbie, V24 is turning heads with a solid 96 points, proving to be the dark horse in this competition. Pat S, V109 is playing the long game at 95 points, while Pam S, V18 and Annette, V11 are locked together at 90. Kerry, V12 is holding at 89 points, Bernie, V100 at 85, and Sylvia, V75, Barbara V49, and Val, V89 are all hovering around the 83-84 mark – don't write them off yet! Paddy's sitting at 77. With rounds still to come, Maureen's lead is anything but safe. One dodgy tip could change everything – this is anyone's game!
